

### ***Who We Are***

Smile for a Lifetime Foundation is a charitable, non-profit organization that provides orthodontic care to individuals who may not otherwise have the opportunity to acquire assistance.

Smile for a Lifetime Foundation, Lancaster County Chapter aims to award orthodontic braces and treatments to middle school and high school age children who meet an established financial criteria, and who have a support system to help maintain a two year treatment plan.

### ***Our Mission***

At Smile for a Lifetime Foundation it is our mission to create self confidence, inspire hope, and change the lives of children in our community in a dramatic way. The gift of a smile can do all this for a deserving, underserved individual who in turn, can use this gift to better themselves and our community.

### ***Who Qualifies***

The foundation has a board of directors who will meet quarterly to review all applications of those candidates who have met all of the requirements of the Smile for a Lifetime Lancaster County Chapter. They will vote and submit all of the potential award winners to be screened by Albright & Thiry Orthodontics. The Doctors at Albright & Thiry Orthodontics do not select the candidates. They act as advisors to the board to aid in any orthodontic questions they may have. When all candidates for that quarter have been screened, the board will then vote again to select the award winners.

### ***How to Apply***

Please fill out the application below and mail it to the address provided. All potential award winners must include with their application a 5x7 head shot showing their smile and two letters of reference from an adult expressing the reasons they feel the candidate is deserving of such a life-changing award.

Letters and photos will not be returned. You are not eligible for consideration if you have not met the criteria or have an incomplete application. You will be notified and can resubmit your application for future consideration.
